

GDPR (2018) Declaration

Gloucestershire County Bowls Players

I agree that Gloucestershire County Bowls may hold and process my personal contact details for the purposes of county team selection, administration, communication, and participation in county bowls activities.

My contact details may be shared with County Team officials and, where necessary for team administration and match arrangements, with other County Team members.

My personal information may be stored electronically and/or in paper format and will be handled in accordance with UK GDPR and Data Protection legislation.

If I cease to be involved with the County Team, my personal information will be retained only for as long as is necessary for administrative purposes and will then be securely deleted.
